

Opaskwayak Health Authority Beatrice Wilson Health Centre Career Opportunity

Opaskwayak Health Authority [OHA] and the Northern Regional Health Authority [NRHA] are seeking a qualified individual to fill the role of **Palliative Care Model Project Manager** on a contractual basis until the expected project end date of March 31, 2027.

We are seeking a highly skilled and experienced Project Manager to lead the development and implementation of a Palliative Care Model within our organizations. The ideal candidate will require a strong background in healthcare project management, with a specific focus on palliative care initiatives. The Project Manager will be responsible for overseeing all aspects of the project, from planning and execution to monitoring and evaluation, ensuring the successful implementation of the palliative care model in the project delivery plan.

Specific Accountabilities:

- ✓ Develop the Palliative Paramedic Project for the region of The Pas, Opaskwayak Cree Nation, and Flin Flon as per the Palliative Care Project Delivery Plan as follows:
 - Performance measurement and evaluation
 - Sustainability plan
 - Disseminate/implement the Palliative Paramedic Project in the northern region
 - Develop the training plan and platform for unregulated health care providers
 - Deliver/distribute training for unregulated health care providers
 - Cultural context of support
 - Community education and engagement
 - Utilize technology to facilitate and enhance project development and delivery
 - Complete reports and financial statements as required
- ✓ Focus on Model of Care outcomes with desired learning and measurement approaches.
- ✓ Collaborate with the NRHA, Shared Health, and Opaskwayak Health Authority project team.

Candidate Requirements:

- Bachelor's degree in healthcare or related field or project management certification (required)
- Understanding of palliative care principles and best practices (preferred)
- Proficiency in project management tools and software (required)
- Ability to work with team members virtually (required)
- 3-5 yrs. experience in project management, specifically in healthcare or palliative care settings (required)
- Familiar with northern health issues, culture, and population to be served (required)
- Must be legally entitled to work in Canada (required)
- Must possess a valid Class 5 Driver's Licence (required)
- Ability to speak Cree (preferred)
- Knowledge of Seven Sacred Teachings
- Microsoft Office – Word, Excel & Outlook

Closing Date: Open until filled.

Applications Must Include:

- A **cover letter** that clearly indicates how you meet the position requirements.
- **Resume**

- Copies of **credentials** (licenses, training, education, professional letters of reference)
- Contact information for **three (3) references** (supervisor or manager) – must include their position/title, current place of employment, email, and phone number.
- **Criminal record with vulnerable sector check and child abuse registry check** (or indication that they have been applied for)
- **Personal contact information** (phone and email)

Your application will not proceed to an interview without meeting the application and position requirements.
Please note that only those selected for an interview will be contacted.

For additional information or to apply for this position please contact or submit your application to:
